Correspondence for the evening was then presented; One item of which was a request from Mr. Amos Clarke to change a permit

from building a garage to operating a Small Store. This request is pending a decision from Dept. of Health.

Councillor Harold Priddle then called for a discussion on Town Planning during next Council meting. This request was prompted to some degree By the fact that House trailers are being deposited here & there through-out the town, & this Could present a problem for Council if proper planning is not put into practise, in the future. Counc. Priddle suggested that a Town planning Committee could be formed to take responsibility for this Service of Council.

It was then brought to Council's attention that Some people were helping themselves to the Sand, which is stocked on T. Hall premises. As this Commodity is paid for by Counde directly & Tax payers, indirectly, Councillors felt that action should be taken to off-set these Self-imposed liberties. Counc Geo. Snook then made a motion that a Suitable Sign Be made & installed on said premises warning all trespassers to Keep out or Court Action Will Be taken.
This was seconded by Counc. Albert Powell with All in favor & Motion passed.

3 men the water problems, was not accepted
due to the fact that the nature of labor
Contributed was considered personal benefits
& Same problem existed in other parts of
town, & people are expected to help themselves
as much as possible.

Mayor Clarke, then proceeded to address
the meeting regarding the Sad Fire
which had occurred on Mar 12 th
when the Elementary School was completely
razed to the ground & the near by Postal
office was badly damaged. Homes & property
of Messrs Albert & Hector Powell were also in
danger of Being destroyed. He paid tribute
to the prompt & heroic actions of all
Concerned who helped prevent this from
Being done, Namely the Fire Brigades from
Carbonear & St. Grace, The employees
from Nfld Light & Power With Mr. Warren
Dueker & crew playing a prominent
part in averting the extent of Fire damage.
He also paid tribute to the Lions Club of

Mar 19 Special meeting held at 4 P.M.
re Dogs All Councillors present, Mayor Clarke
Mar 19 to June 19 4 P.M. expiration date presiding.
1st item on agenda was an inquiration from MR Rd Parsons
re the licensing of a pregnant dog.
Council decided that any person or
persons owning such a dog would
Be given 3 months for purpose of
litter Being born & to decide if dog would
Be licensed or disposed of; this would
Bring expiration period to June 19th 1974
Mrs Ruby Summers then reported the
dogs that had Been licensed to date &
those with dogs unlicensed. In view of
the fact that many people had
promised to license their dogs, a week's
extension was granted & Mar 27th
would Be the Final date to have
them done.
A letter from Mrs. Summers to the effect
that her expenses had Been Considered &
$1 per dog as previously settled upon,
was insufficient to Cover the work
involved resulted in a motion for an
Amendment Being made to this remuneration.
Counc Geo Clarke made a motion that

Re. Town Planning.
A motion was made by Counc. Walter Clarke that the Dept. of Municipal Affairs be contacted by Council to draw up a Town plan using existing official boundaries.
This motion was seconded by Counc. Geo. Snook. All were in favor.
A letter to this effect moved be written to Hon. Val Earle, Minister of Munic. Affairs informing him of this procedure, so that necessary action could be taken.

Re, the future of Mr. J.R. Clarke, Town's H.E. operator, relative to Council.
Mayor Frank Clarke advised he moved be travelling to St. Johns during the week & would consult with various Departmental Heads of Government, etc, would ascertain if Council's Loader & Ditcher would be permitted to be used for hire & Council could then form an opinion if any employment that could be of interest to said Mr. Clarke would be available.

Mayor Clarke then made known that the School board members wanted to know

If Council would provide use of the Truck to haul away Fire Debris, if School Board would pay labor costs. Council decided that the necessary labour plus use of truck would be provided & Bill for All expenses involved would be forwarded to School Board after work had been Completed.

Condition of Swansea Road then took the attention of meting. Mayor Clark informed Council that a Representative from Dept of Agriculture had asked permission to hire a tractor to endeavour to make this road more passable for Traffic. He also requested that he be allowed to meet with Council at a later date for the purpose of discussing some terms agreeable to repairs & improvement of this road which will be the Access road to Sleep Ranch now being Constructed. Mayor agreed to Request.

Garbage Collection & personnel for same was then re-viewed. As was agreed by former Council, two men were supposed to work on truck on all Garbage Collection days, Supervised by Maintenance foreman.
Now, a motion was made by Counc. A. Powell that one man be employed as of April 1st. This was ended by Counc. Gordon Clark, who asked that it be for a week experiment. Motion was passed with one opposing.

Reports had been received by Council to the effect that Car owners were seen wasting

their vehicles on 2 Sundays in Succession by the Artesian well in Mr. J Curnew's Area.
This was Considered unsanitary & Offensive by Council & people in question were to Be written & told to refrain from repeating this Act.

Council was then informed by Counc. H. Priddle that a telephone Call had been rec'd from a MR. Dooley, tendering to paint Town Hall for the Sum of $6.308.00.
This Being by far, the lowest tender rec'd, MR. Dooley would be invited to meet with Councils to discuss necessary terms of Contract for same.
A motion to this effect was made by Counc. Geo. Snook & 2nded by Counc. Harold Priddle.
Counc. Geo. Snook advised Council that he would Be starting to work on Apr. 1st & this employment would cause him to Be absent from Council meetings for a While, But did not wish to miss the required number of meetings that could disqualify him as a Councillor.
Mayor Clark assured him that this was quite Comprehensible & would receive the leniency of Council, & this also applied to any other Member of Council who may Be faced with a Similar Situation.
A Suggestion by Counc. Walter Clark as to ways & means to purchase a Fire Truck was one that would require further detailed information & Mayor Clark decided it should Be brought to the attention

Contract for Electricity Awarded to G Dooley For $6,308.00

of Govt Representative who dealt with matters such as these.
As the prevailing Storm continued to worsen, Meeting was adjourned before other items on Agenda could be dealt with.
